

Subject : Invitation for Training and Placement Drive at NIT SURAT

Respected Sir/Ma'am ,

Greetings from Sardar Vallabhbhai National Institute of Technology, Surat.

As a part of our continuous efforts to bring the top companies to the college premises, We would like to request you to consider the possibilities of conducting your recruitment drive for B.Tech 2022 Batch and training for 2023 Batch.

We want to join hands with your esteemed organization and help our students to achieve a better career in your company. With an increasing trust being placed on Institute-Industry interaction, it is our sincere belief that your esteemed organization and NIT SURAT stand to gain immensely from this symbiotic relationship.

We take immense pride in being the torchbearers of the eminent league of National Institutes of Technology. Over the years we have earned recognition not only in India but all over the globe with students excelling in National and international competitions. The students of our institute are occupying enviable positions in various organisations at home and abroad and have earned fame, not only for excellent academic and extracurricular activities but also for research, consultancy and development activities. Many of them have been the driving force behind the industrial landscape of our nation.

With this brief background, I would request you to kindly visit our campus for selecting candidates of your choice on any date convenient to both of us. Expecting our interaction to grow over the years to come.

Thanking you in anticipation

Yours sincerely

XYZ

Training and Placement Coordinator

(Electronics and Communication Engineering Department)

SVNIT, Surat

Dear Recruiters,
Warm greetings from Training and Placement Cell, SVNIT SURAT !

We take immense pride in being the torchbearers of the eminent league of National Institutes of Technology. Our students continue to showcase their brilliance and ardour through the remarkable demonstration of results in various Hackathons , open source contributions, Coding Challenges, National Robotics Competitions and many more.

The students of our institute are occupying enviable positions in various organisations at home and abroad and have earned fame, not only for excellent academic and extracurricular activities but also for research, consultancy and development activities.

We , at TNP Cell, NIT Surat take immense pleasure to extend a cordial invitation for participation in the On Campus Recruitment Drive of our Institute for academic session 2021-2022 to hire from one of the best pools of students in the country.
